2017 APERTURE RIGHT BANK RED BLEND

Aperture

WINEMAKER NOTES All of our fruit is hand harvested and brought into the winery within hours of being picked. Everything is methodically and obsessively sorted. A cold soak of 4-7 days with minimal air incorporation starts the extraction and then cool fermentations with native yeast carry out the remaining. Air and temperature are controlled throughout the 10-15 day fermentation and extended maceration is determined lot by lot when I walk the fine line of full extraction but still keep an elegant and silky texture. Wines go through malolactic fermentation in barrel and are aged (sur-lees) for 18 months. Bottled unfined, unfiltered, and un-acidified.

The 2017 Red Blend demonstrates a rich concentration of deep red fruits. Ripe currants combined with fresh raspberries and cherries, carrying with them a bright acidity. Laying in delicate violets and subtle tabacco the wine extends with a long, spice driven finish. The tannins are well integrated and the texture elegant and silky, making this a wine that is drinking beautifully now and will continue to reward with cellaring.

- WINEMAKER JESSE KATZ

APPELLATION

Alexander Valley

BLEND

52% Malbec 48% Merlot

BARREL PROGRAM

Aged 18 months 50% new oak 60 gallon French oak barrels

PRICE

\$55

UNFINED, UNFILTERED AND UN-ACIDIFIED

VINEYARD

This wine is composed of all hillside vineyards which helps to keep berry size down and concentration strong. The sites are south and south east facing for the early ripening varietals.

ACCOLADES

93 Points, Jeb Dunnuck 91 Points, Wine Spectator Editor's Most Exciting New Wines 91 Points, Wine Enthusiast 90 Points, Robert Parker's The Wine Advocate

SOIL TYPE | Clay

The vineyard blocks that make up our Red Blend are all clay soil type. This clay helps some of the early ripening varietals lengthen their growing season so the grapes achieve full phenolic ripeness while also keeping a freshness in the fruit characteristics.
